#### **Additional Requirements:**

- 50 hours of Chaplain experience with written review from direct supervisor(s). A direct supervisor is either someone in leadership in a Chaplain's Corps or an agency representative that oversees the Chaplain at the agency/organization where they volunteer/work as a Chaplain.

Following completion of training and experience requirements, I.F.O.C. Chaplains will be awarded Advanced Chaplain credentials.

This is a 3-year credential with I.F.O.C. Advanced Chaplains will receive a unique ID card indicating they are an I.F.O.C. Advanced Chaplain. There is an initial \$100 fee for the credentials. Advanced Chaplain standing is renewable every 3 years for \$100 with completion of 14 hours of Continuing Education in content relevant to Chaplaincy over the 3-year period. Chaplains will be able to choose where to receive their continuing education. The certificate they are awarded must relate to Chaplaincy, a topic that is relevant to their area of Chaplaincy, or a skill that will enhance their Chaplaincy. The certificate must include the agency, list the contact hours for the course, and must have a representative's signature from the training agency to count toward renewal.

Advanced Chaplain credentials qualify the Chaplain to take the CAC assessment through Manna University and receive the CAC credential, an academically awarded micro-credential. This credential is renewable every 3 years.
