## Advanced Chaplain Certification Program

### Tier 1

**Vision:** To equip current I.F.O.C. Chaplains with Advanced Training and expand opportunities for service by increasing knowledge, and opening more doors for engagement.

#### **Required Classes:**

Assisting Individuals in Crisis (ICISF)  
Group Crisis Intervention (ICISF)  
Advanced Assisting Individuals in Crisis (ICISF)  
Advanced Group Crisis Intervention (ICISF)  
Grief Following Trauma (ICISF)  
Dealing with Trauma (I.F.O.C.) (The effects of trauma on the brain)  
Spiritual and Psychological First Aid (ICISF, CRC) or Psychological First Aid (Red Cross, NCTSN)  
N. Paget's Enhancing Resilience- The Transforming Power of Spiritual Resilience (I.F.O.C. or CRC)

#### **Acronyms:**

- ICISF: International Critical Incident Stress Foundation
- CRC: Crisis Response Care- K-Love Radio
- I.F.O.C.: International Fellowship of Chaplains

#### **Additional Requirements:**

- 50 hours Chaplain experience with written review from direct supervisor(s). A direct supervisor is either someone in leadership in a Chaplain's Corps, or an agency representative that oversees the Chaplain at the agency/organization where they volunteer/work as a Chaplain.

Following completion of training and experience requirements, I.F.O.C. Chaplains will be awarded Advanced Chaplain credentials.

This is a 3-year credential with I.F.O.C. Advanced Chaplains will receive a unique ID card indicating Certified Advanced Chaplain. There is an initial \$100 fee for the credentials. Advanced Chaplain standing is renewable every 3 years for \$100 with completion of 14 hours of Continuing Education in content relevant to Chaplaincy, over the 3-year period. (We will need a new store item tied to this on the Advanced Chaplain page only.). Chaplains will be able to choose where to receive their continuing education, but the certificate they are awarded must relate to Chaplaincy, a topic that is relevant to their area of Chaplaincy, or a skill that will enhance their Chaplaincy and the certificate must include the agency, list the contact hours for the course, and must have a representative's signature from the training agency to count toward renewal.

Advanced Chaplain credentials qualify the Chaplain to take the CAC assessment through Manna University (formerly Grace College of Divinity) and receive the CAC credential, an academically awarded micro-credential. Discussion is still on-going on whether this will need to be repeated every 3 years. This will require a college application and enrolling in a .5 semester course to take the assessment.
